Download Audio Books

e-Audiobooks are not coming - they're here, a few clicks away on your home computer. Holders of library cards from any of Westchester's public libraries can download up to 10 e-audiobooks at one time onto their home PC/s and listen to them through the computer's media player or transfer them to an MP3 player. You will find instructions for registering for this new service and setting up a NetLibrary account, as well as hardware and software requirements, on the e-Audiobook

page linked to the new Mamaroneck Public Library home page, www.mamaronecklibrary.org. Look under "What's New" on the left side of the page.

e-Audiobooks available through this new service include old and new titles

published by *Recorded Books*, *Pimsleur Language* program, and selected titles in the *Modern Scholar* and *Your Coach in a Box* series - over 1200 titles in all, with new ones being added every month. You may listen to the e-audiobook in your computer for three weeks, and even renew it. If you transfer the e-audiobook to an MP3 player, you may leave it there and listen indefinitely!

Friend's Corner

The Friends of the Library present first-rate public programs throughout the year. Lectures, documentary films, how-to instruction and even a visit by a wolf are examples of their recent fare.

Saints, Sinners & Sirens: George Bernard Shaw and his Women will be the subject of Rhoda Nathan's lecture Thursday, May 18th at 8:00 p.m. This program was made possible by a grant from the N.Y. Council for the

Humanities. Anne Stillman, Executive Director of the John Jay Heritage Center, will present her lecture, *John Jay, Founding Father Extraordinaire*, on Thursday, June 8th, at 8:00 p.m. The Friends' annual meeting will precede this program at 7:30 p.m.

These events will be held in the library meeting room. Refreshments will be served, compliments of Café Mozart. Please use the side entrance on Library Lane (the Emelin Entrance) as the library closes at 6:00 p.m. on Thursdays.

We are looking for volunteers to lead a new evening book club in the library. If you are interested, please call Susan Benton at 914-698-1250 X30 to get further details.

Children's Library Summer Reading Fun

Hang Out and Read!

Children's Library Summer Reading Fun

Like to read? Like to play games? Like prizes? If so, you'll LOVE to come to the library to play our Summer Reading Game. The program begins June 28 and you can participate in it any time that the library is open. All you have to do is read books, report to a librarian about the books, and roll the dice....Every 5 hours of reading and reporting gets you a prize! Reading a book in all the book categories also gets you a prize! The best prize of all? Getting an invitation to the Sum-

mer Reading Game party in September!

Looking for something fun and relaxing to do this summer? Then come to the Children's Room for our *Hang Out and Read* programs. Every Wednesday, from 4:00 until 5:00 p.m., beginning June 28th until August 12th, children can "hang out" and participate in such varied programs as: body painting, food creations, or creating art with local artist Michael Albert (See below.) Information for the dates and types of the programs will be available on our web-site or by stopping in the library to pick up a flier. You can register for each program 2 weeks in advance by calling (914) 698-

1250, ext. 24. These programs fill up *quickly* so don't forget to mark your calendars! As always, these programs are ****FREE****!

You can check out Michael Albert's work by visiting his web-site (<http://www.cerealism.com>) or by stopping in the Library to view his art work which is currently exhibited on the walls of the Children's Room. .
