## **Ellen Hauptman**

I have lived in the Village of Mamaroneck for 27 years and greatly care about this Village and its future direction. I am currently retired after spending 4 years working in publishing and 40+ years working in the financial services industry. My career experience includes financial reporting, budgeting, forecasting, operations management and complex project management. Much of my free time is spent reading, traveling, swimming, gardening, cooking and volunteering.

I believe in giving back to the community in any way I can. I was a co-founder and co-chair of the Mamaroneck Avenue Block parties for 4 years. During this time, we raised over \$125,000 for local charities. Additionally, I am in my second 3-year term as the Vice Chair of the Village of Mamaroneck Budget Advisory Committee. I have also signed up to be a volunteer for At Home on the Sound.
